

Dear BLS Course Student:

Welcome to the BLS Course. It is a requirement to bring your BLS Provider Manual eBook to class. Mobile devices are allowed, and you will be able to refer to it during the exam. Review both the BLS Provider Manual eBook before coming to class so that you learn more and are more comfortable with the course.

Please wear loose, comfortable clothing. You will be practicing skills that require working on your hands and knees, bending, standing, and lifting. If you have physical conditions that might prevent you from participating in the course, please tell one of the instructors when you arrive for the course. The instructor will work to accommodate your needs within the stated course completion requirements.

We look forward to seeing you in class! If you have any questions about the course, please call Attentive Safety CPR and Safety Training at 1-877-531-2226.
